

## Behaviour management policy

*It is important to remember that the child is always loved and accepted but at times behaviours may need some guidance.*

*Children learn by observing the behaviours of others so by demonstrating and negotiating acceptable behaviours and interactions we are teaching the children what is socially acceptable.*

*There is a library of resources available if you wish to know more or seek further knowledge about dealing with the tough stuff and raising your child to be the best they can be.*

## What's happening at the Anglican Parish of Kapiti?

Week day parents' prayer and study group.

## Preschool music & playgroups

## Anglican Parish of Kapiti

## Twinkle Toes/Little Wigglers

Twinkle Toes music and play groups offer a place where children, their parents, grandparents or caregivers can come and share together fun memories with the help of music, dance and instruments. A chance for little ones to express themselves freely as they explore who they are.

**Tuesday morning music sessions are provided by Kapiti Parents Centre under the name Little Wigglers, while the Thursday morning music is licensed under Twinkle Toes**

The playgroups are offered to the local community, through the Anglican Parish of Kapiti.

## Music

Music sessions offer an opportunity for children to develop many pre reading and language skills through rhythmic patterns and repetition, along with cooperation, listening and having fun. Adults are strongly encouraged to actively participate in the music as this encourages your child's participation and confidence.

## Playgroup

Playgroups offer further opportunity for children to develop social, physical, emotional and language skills as they explore their place in their world.

Playgroups encourage the development of relationships and trust with peers and other adults through play.

Adults too have the opportunity to gain friendships and support networks.

## Where when & how much

Tuesday 9.30am –12:00 noon

Two groups preschool & babies

**\$3 or free if a parents centre member**

Thursday 9.30 am -11.30 noon

Gold coin donation

St Paul's Church hall & lounge

1 Langdale Ave

Paraparaumu

Our playgroups are church run and always begin with a Christian prayer of thanks. On other occasions of celebration, like Christmas and Easter we also offer a Christian perspective. We have a team of volunteers who have a heart for supporting young families and give of their own time freely to welcome you.

Adults are expected to assist our volunteers with distribution and support of activities and resources as you are able. This practice of responsibility sets an example to children and builds on everyone's sense of belonging and place in their world.
